

# Occupational Health Management Software

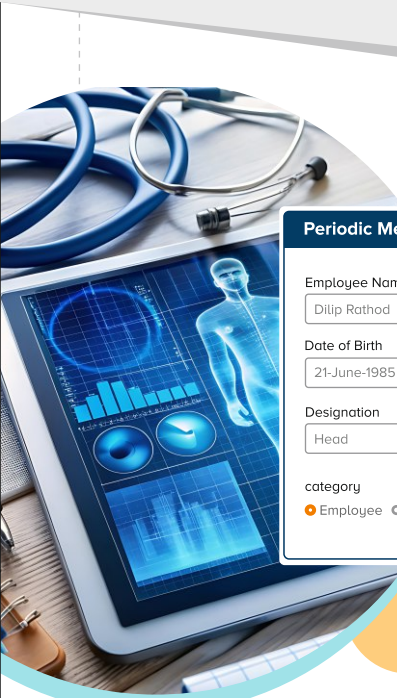

Take the first step towards a healthier workforce today.

- Manage the health of employees and contract workers.
- Comply with industry standards and regulations.
- Access to comprehensive health records.

# Your Partner in Workplace Wellness

## Features

**Periodic Medical Checkup** Export to PDF

Employee Name Dilip Rathod	Employee Code 10355
Date of Birth 21-June-1985	Age 38
Gender <input checked="" type="radio"/> Male <input type="radio"/> Female	Designation Head
Function Electrical	category <input checked="" type="radio"/> Employee <input type="radio"/> Associate Employee
Blood Group A+	

## Comprehensive Medical Checkup

This module within OHS systems provides a structured and systematic way to track, schedule, and monitor the health status of workers, helping to prevent workplace injuries, illnesses, and long-term health risks.

## Medical Campaigns

Includes pre-employment and routine medical checkups, featuring a digital register for easy access to medical records. It also allows for the import of results from external sources, such as Excel spreadsheets, from affiliated hospitals or medical laboratories.

## Medicine Inventory

Streamline the management of medical supplies, ensuring that essential medicines and first-aid items are always available and properly maintained.

## Biomedical Waste Register

Empower your healthcare facilities to manage the biomedical waste effectively by streamlining the tracking, disposal, and reporting of biomedical waste generated at the workplace.

## Reports and Dashboards

By transforming complex data into actionable insights, our analytics tool enable stakeholders at all levels—from safety managers to executive leadership—to monitor safety initiatives, assess risk factors, and drive proactive improvement in workplace safety.

# Solution Benefits

- All employee records in one place
- Personalized worker profiles
- Health index and analytics
- Actionable insights to evaluate employee health
- Manage regulatory and health compliance
- Tailored Solution
- Flexible approach with understanding your health program
